2024-2025 Zone Transfer Renewals

Zone Transfer Renewals for the 2024-2025 school year will be from **January 23 – February 13**. Students with an **APPROVED ZONE TRANSFER** in grades K-5th can complete their renewal using the emailed link starting on Tuesday, January 23rd. Students with an approved zone transfer must complete their renewal within the deadline if they wish to attend Discovery for the 2024-2025 school year. Please contact the office if you have not received your renewal link via email by the end of the day Tuesday, January 23rd.

*TK students enrolled on a Zone Transfer at Discovery will need to enroll for kindergarten at their neighborhood school and request a Zone Transfer if they would like to attend Discovery for the 2024-2025 school year.

Please make sure you write your child's room number on their water bottle, jacket, sweatshirt, etc. There are many nice jackets and sweatshirts in the lost and found and we'd love to get them back to students.
