This week's:

Core Value: Responsibility
Common Courtesy: Excuse me

February 13th is the deadline to submit a 2024-2025 zone transfer renewal for **current Discovery students** with an **approved zone transfer**.

February 14th: New student enrollment begins (includes Transitional Kindergarten (TK) and Kindergarten)

Please do not bring items (water bottles, homework, lunch boxes, etc.) to be delivered to your child throughout the day.

Your voice is important to us and we would like to hear from you. Please take a few minutes to answer the question:

What are some things we are doing well to benefit students at Discovery and what are some things we can do to improve the educational experience we provide students?

You can also view other parent's thoughts and put stars by the ones you agree with. You can answer the question and go back as many times as you'd like to read other's thoughts and give stars from now until March 1. Thank you for doing this!
