## *This week's:*

**Core Value: Respect**  
**Common Courtesy: I apologize for...**

As we finish up another quarter, we want to thank you for your unwavering support! Our students have made so much growth and we are very proud of them. 4<sup>th</sup> quarter will be busy as teachers begin reviewing the standards taught all year to prepare students to show all they've learned on the state assessments and local measures. Please do not plan trips during school days and try to schedule all appointments at the end of the day or preferably after school.

Starting 4<sup>th</sup> quarter, the parking lot in front of the office will be closed during dismissal. If you walk up to pick up your child, please park on the street, or you can use the car loops. The parking spots are taken quickly, and we've had cars lined up in the parking lot even though there is nowhere to park. Students have been walking in the parking lot to get in their cars, which is extremely dangerous. We've had several close calls with students almost getting hit, cars almost hitting each other, and we've had fender benders. The parking lot is not meant to be used for parents to drive up and have students walk to their car. We encourage you to use the loops instead. Student safety is our top priority. We appreciate your understanding and help with this.
