Upcoming

Aug. 16 5:30pm - DCS Board
Meeting

Aug. 17 Fall Picture Day

Please make sure your child arrives to school on time everyday. Students should be lined up on the blacktop a few minutes before their start time.

This week's:

Core Values: Respect

Common Courtesy: I apologize for...

Campus Clinic is continuing their weekly COVID testing only for families who signed up to get their child tested. Your child can always tell them they don't want to be tested. If you registered your child last school year and do not want them to be tested anymore, you can update your consent preferences at any time by logging into your account:

<https://dashboard.campusclinic.org/login>

Go through to step 4 select the "Do Not Enroll in exposure testing or school screening testing".

Please do not block the handicap parking spots. If you're on the west loop, stop before the first handicap spot to ensure they have room to pull out.

We hope you're able to attend our first PTC meeting on Wednesday. Come find out ways you can volunteer and be involved.

The Volunteer Presentation is on our Discovery school website under the news tab. Please watch the presentation and fill out the Microsoft Form to be placed on the volunteer list.
