This week's:

Core Values: **Caring**
Common Courtesy Please

Please check Dojo for information regarding the different clubs and sports opportunities. This weekly newsletter will also have information regarding meetings and practices. We are excited that Dragons on the Run and Sprockids are starting this week. The amount and kind of clubs and sports we offer changes every quarter and every year and is dependent on the availability of teacher volunteers to sponsor the clubs. We are grateful, appreciative, and so very lucky that our teachers volunteer their time to offer these amazing before/after school opportunities that are unique to our Discovery community.

Please do not drop off lunches and water bottles in the front office to be delivered to classrooms. It's a distraction to all when this has to be done. School lunch is free to all students again this year.
